

18 POINT HANDICAP

4 blocks of 6 players. (see below)

All play all (5 matches) **before 28th February**.

Full lawn – **not** full bisque i.e. take the difference in full game handicaps then look at the table to get the number of bisques for the **higher handicap player only**.

One and three quarter hour time limit (two hours if double banked)

The **18 point game** – players start at hoop one and move the backward ball clip to **three back** once hoop one has been made with their **first ball**.

3 points for a win **within** time.

2 points for a win on time.

Enter score in the **block sheet** as **plus/minus difference in hoops scored**.

E.g. +5 +5T

-5 -5T

If a game has to be **conceded** the score should be recorded as +9T or -9T respectively.

The **winner** of each block to contest the **semi-finals in March**.
