

Counties Competition 6th July 2016

Play starts at **9-30** and each game is time limited to **2 HOURS** and is 14 point handicap doubles to no base.

ONLY ONE SIDE HAS BISQUES.

Calculate bisques by adding up each pair's handicaps, then divide by 2. Subtract the lower side from the higher giving the full game number of bisques then reduce these to 14 point handicaps.

SEE 'WEDNESDAY COUNTIES BISQUES'. NB NOT 'WEDNESDAY' HANDICAPS OR "HOW MANY BISQUES DO I GET, LORNA". Round $\frac{3}{4}$ to 1 and $\frac{1}{4}$ to $\frac{1}{2}$.

PAIRS MUST PLAY IN HANDICAP ORDER i.e. the pair with the **LOWEST** combined handicap must play as no.1 .

Pairs must remain the same throughout the day.

As time is of the essence, **please minimise conferring and coaching ON THE LAWN. EXPEDITION IN PLAY PLEASE**

Scoring is the same as a normal Wednesday, winning side scores 20 + winning margin, losers score their actual score.

PLEASE WEAR WHITES.

Thank you.
